To Our Customer Community

From: Michael Nitzsche, President, and Monica Nitzsche Rea, Vice President of Niche Gourmet

Niche Gourmet is actively monitoring the everchanging situation created by the Covid-19 Virus. Our top priority is the health and safety of our customers, employees, and our community.

As of this morning Michigan Governor Gretchen Whitmer announced a "stay-at-home" order that will go into effect tomorrow at 12:01 a.m. through at least the next three weeks, and that all non-critical businesses are to temporarily close. Under this order, the businesses that will remain open include food and agriculture.

We want to ensure you that Niche Gourmet will continue to serve your businesses and that there will be no disruption to our service at this current point in time. With the ongoing daily changes Niche Gourmet has established contingency plans in order to remain fully operational while also strictly following all government orders. We will keep you informed if any changes may occur, and if you have not already advised us on your current business status please do so that we can effectively communicate and remain up to date within each of our departments.

As always, we greatly appreciate your placing your trust in us to continue fulfilling your needs in a timely and professional manner.

We wish all of you safety and good health.

Sincerely,
